(SESSION 2024-25)

DPSALG/23-24/C-045

Date: 17.02.2024

Dear Parents

Greetings from DPS Aligarh!

The academic session of 2023-24 has definitely been very challenging and fulfilling for us as we have conducted numerous competitions, events, academic activities without the shadow and fear of a life-threatening pandemic after three long years. Our sincere and heartfelt gratitude goes to you for cooperating with us in this journey and believing in us to make your wards future ready for the global pursuits. When we say education has evolved in the twenty-first century, we mean learning is no longer restricted to the four walls of a classroom, but spread across fields, stages, national and international spaces, as well as the Internet. We proudly say that our students have not only excelled in academics, but also left an indelible mark in the field of sports, cultural performances as well as artistic endeavors. We definitely have to thank you for keeping pace with the school and extending your unflinching cooperation.

With several of our children representing the district, state and country in the Nationals, be it with the Board results, or competitions, we are immensely delighted to see them reaching the echelons of success in all spheres of life, and this has been possible only because of their hard work, dedication and commitment to strive better, along with your collaboration.

Keeping all the achievements and highs in mind, I would also like to draw your attention towards the importance of discipline in the school premises. As a guide and counsellor of these brilliant young minds, we need to constantly remind the students that *"motivation gets you going, but discipline keeps you growing"*. Our sincere collective effort towards shaping up the character, moral values and good behavior of the students in the school, and their life for enabling them to display civilized behaviour, decency, good manners and ethical conduct depends on your cooperation to a large extent.

To conclude, we, the Management and Staff of the school, promise to put forward our dedication and commitment to leave no stone unturned to make children learn and develop in a holistic approach and achieve their highest potential. Let us start the learning for our children once again, with renewed hope, freshness and vigour.

3. UNIFORM:

The country is advancing rapidly with achievements from launching multiple satellites to moving towards becoming the third largest economy in the world. We at DPS- Aligarh have introduced the best in-class designs, innovative and creative teaching-learning methods, latest equipment, and the most globalized environment that will foster the students' growth and development in a fun and interactive way.

Keeping this in mind, we have decided to introduce a new school wardrobe for our students. The thought behind this is to mirror their personality and complement their comfort level, while also considering the school's identity and repute. The school is introducing the new set of uniform for all the classes. The curated fabrics reflect the athleisure stretch and comfort required while performing the activities.

SCHOOL UNIFORM:

This polo is made out of a Melange fabric with a mix of poly cotton to maintain durability in fabric. Melange, while it looks elegant, does not lose much colour. Style quotient is introduced in smaller details using brand logo to reflect the school's identity and image.

One of the best combinations with T-shirt is denim. But denim, as a fabric, bleeds over time and thus loses colour. We have curated a special fabric known as 'Faux Denim.' It will give us the look of a denim trouser but brings stability in colour. It is more rugged as a fabric in comparison to the regular trouser.

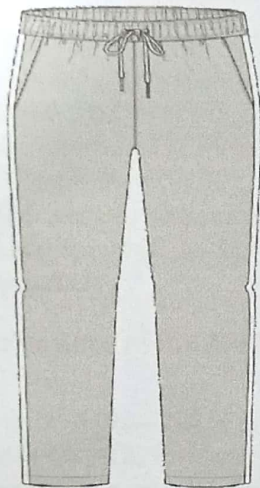

The girls' divider is also made of faux denim fabric to ensure comfort, longevity as well as convenience for regular and athletic activities.

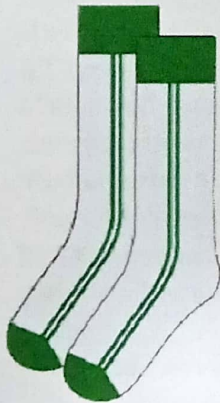

HOUSE UNIFORM:

(The four houses have been part of our school tradition, however now you can wear that pride). Introducing a Dry Fit T-shirt. Which is a combination of white with the respective house colour. The colour patch is printed on white knitted fabric. The curated fabric reflects the athleisure stretch and comfort required while performing any activities.

To compliment the Dry Fit T-shirt, we have introduced a pair of grey-colored comfortable polyester track trousers with enhanced quality to bring flexibility and toughness in fabric, It has with white piping on both the sides.

White comfortable socks complement the T-shirt and have the stripes of school colour reflecting the school's branded and cohesive approach.

Comfort meets style and elegance with our new school shoe Force 10, with compressed foam heels using EVA sole used for athletic and every day activities. This shoe is to be used with both regular and house uniforms.

As of Monday, April 1, 2024, all students must wear the summer uniform as specified above. The same will be available at the uniform store for your convenience soon.

4. **LUNCH:** Please make sure your child packs a nutritious lunch for school every day. Our school adheres to a strict **vegetarian diet**; thus, we gladly ask for your cooperation in this matter.
