

DELHI PUBLIC SCHOOL ALIGARH
INFORMATION SHEET SESSION-2024-25
FIRST TERM - (AUGUST & SEPTEMBER)
CLASS – PREP

Dear Parents,

GREETINGS FROM DPS FRATERNITY!

We are excited to announce a series of enriching activities for our pre-primary classes during August and September! These months will be filled with celebrations of Independence Day, Janmashtami, Teachers' Day and Raksha Bandhan. Each event is an excellent opportunity for students to learn about our rich cultural heritage, the significance of freedom, and the value of education. These events make us forget the cultural and the religious differences. They unite people and they come together for the sole purpose of celebration and happiness.

Join us in celebrating these occasions and making these months both memorable and educational for our young learners!

Academically we will cover—

ENGLISH

Use of is, am, are
Use of he and she
Use of I and you
Use of this and that
Opposite words
Pairing words
Blending and reading of (i) and (o) vowel sound
