**CLASS – II**

Dear Parents,

Greetings from D.P.S. Fraternity!

These months bring happiness, celebration and pride which make us feel patriotic and also inspire us to follow the teaching of peace and tolerance. Festivals should be celebrated whole heartedly. Rakshabandhan is also a bond of protection and love. Great people are like candles, they consume themselves to enlighten the way of others. To be humble and full of virtues is always appreciable. With the same assurance, we also try to enlighten the future of our students.
