

DELHI PUBLIC SCHOOL ALIGARH
INFORMATION SHEET SESSION 2024-2025
SECOND TERM- (OCTOBER & NOVEMBER)
CLASS - II

Dear Parents,

Greetings from D.P.S. Fraternity!

These are the months of vibrant festivals and bountiful celebrations. Starting from Navratri, the festive mood lingers on till Diwali and Bhai Dautj. The huge number of festivals in October and November in India makes it joyous months when spirits are high, lots of family time is on the cards, and meals are nothing but sort of a feast. In these months we will be paying tribute to Mahatma Gandhi and Shashtriji followed by the birthday celebration of our beloved Chacha Nehru. Festivals are a great way to understand one's culture. A child can be taught more about their culture and their country during festivals and celebrations. This teaches them about their roots in the world and makes them proud of their country and culture. So let us enjoy these months of festivals by celebrating all the little and big things we are blessed with.
