

DELHI PUBLIC SCHOOL ALIGARH

French Exchange Programme

France –India relationship is traditionally close and friendly and both countries have a special relationship with each other

This entire project aims at exchange of cultural, sociological and educational aspects of both the countries France and India.

In the exchange programme, the students of both the schools will lodge with their buddy partners and will have a close insight of Indian and French culture as they will visit the local market, famous tourist places, will celebrate their festivals and on the other hand they will showcase the glimpses of their culture, social background through videos, songs and other activities side by side they will attend the regular classes in their schools

Hence the aim of the entire project is to imbibe the children with a global perspective and to instill a sense of universal fraternity among the students.
