GREETINGS FROM D.P.S. FRATERNITY

FUN ACTIVITIES FOR SUMMER VACATION

*As the holidays have begun,
it's time for us to have some fun.
It's time to see amazing kids' movies,
and help our mamma in making goodies.
Time to make some new friends and play lots of games,
spend time with them and know about their names.
We have got a big break from school,
to enjoy the vacation and stay cool.
We are free to do anything we like,
playing,
reading and riding our bike.
We will sleep on time,
and rise up with the bright sun.
As the holidays have begun,
it's time for us to have some fun.*

Dear parents,

Kids look forward to the summer vacation all year long. They look forward to have loads of fun time and family time. With summer vacation right around the corner, it's time to generate certain ideas to help children have a memorable vacation.

Growing your child's talent

Help your child to learn any sport or join any talent class like music, dance this summer. While learning new skill or sport, child will stay active and energetic.

Creating a family bond

Along with varied activities, kids enjoy meeting people. Summer vacation is the best time to visit other members of the family who do not live in town. It ensures stronger family bonding as well.

Inculcating Reading Skills

Get your child exposed to the fascinating world of fictitious characters through interesting story books.

Involving in household chores

Assign your kids a few tasks which they can easily accomplish like filling empty water bottles and keeping them in the refrigerator, watering the plants, folding washed clothes etc. This is how you can get your young ones get into the habit of helping out around the house.

A happy and healthy time is the best way of imparting the much-needed life skills to our children. We all wish to see them grow up as responsible and caring individuals who understand the value of time.
