DIARY ENTRY: HOLIDAY EDITION

Why can't we take all our friends for a holiday?

Share your holidays with us and write a diary entry/journal of at least a fortnight of your holidays. You can supplement it with photographs and souvenirs from your trip. For example- if you visit the beach, you can stick shells into your journal, or if you went to a mountain, you can stick a fern or a flower to support your work. Even a ticket stub would be nice.

The diary to write the journals (14 entries) should be handmade and decorated creatively.
