

DELHI PUBLIC SCHOOL ALIGARH
HOLIDAY HOMEWORK
SESSION-2023-24
CLASS – NURSERY

Dear Parents,

Greetings from D.P.S. Fraternity!

Long summer break is the most enviable part of school life! It provides time for rest and leisure. Children can just laze around, unwind, eat, play and create lot many memories as we all did in our childhood. Vacations are of course a time to reinvigorate and revive. However, the duties of a student must not be forgotten either. A balance, therefore, between recreation and work must be found to ensure a break ,that is productive as well as relaxing. Holidays are meant for enjoyment and if this time is used for creative pursuits, it becomes learning experience. The holiday homework has been designed to be a meaningful and creative exercise. Do ensure the child is involved with your guidance.

The wonders of where we are,
And where we will be
What we do
And what we see.
What we find and what we seek
Not everyone knows.
And I just wonder Mom and Dad.....
Can you spend time with me!!!!!!

Role Play: Pretend to play a phone call with your little one. This will enhance your child's speaking skills and help him/her understand basic phone etiquette.

While having meals with your child, talk about the importance and hard work of the farmers and ask him/her not to waste food.

Self-Management Skills

- Help your child to pot few plants and let him/her water the plants and take responsibility of them.
- Make your child the captain of his/her toy store. This will develop a sense of responsibility towards toys in your little one.

Social Skills Development

- Visit the local fruit or vegetable market with your child and make your child use magic words please, thank you, sorry, excuse me in their regular conversation with everyone.

MAKE YOUR HOME A PLACE FOR READING

Here are some tips to help parents of young children to promote reading at home.

- Choose a reading time for your child, as in before a nap, bedtime, or after dinner.
- Don't just read the story; talk about it.
- Let your child point out the letters, shapes, colours and animals.

LEARN TO SPELL YOUR NAME

Help your child to make a hanging of their name using glitter sheets and pastel sheets. Give them the cutting of the letters and ask them to arrange the letters as per their name. This will help them to identify the letters which are there in their name and they will also learn to spell out their name.

BE AN ANIMAL LOVER

Help your child to create a cute animal using popsicle stick. Ask your child to give it a cute name and prepare a short story related to it.

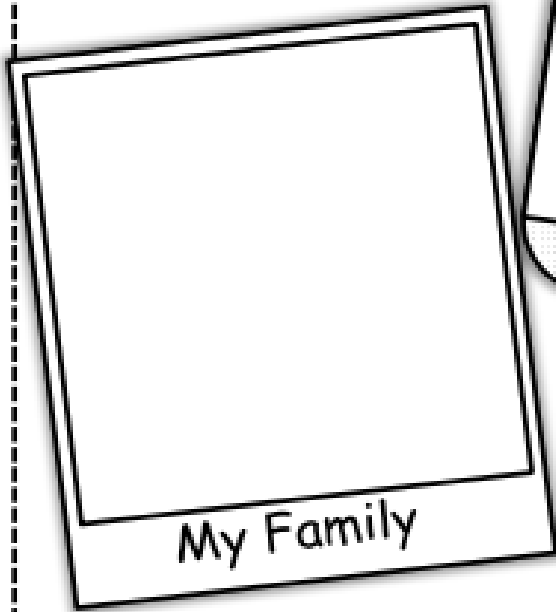

Take a print of this page and complete it, then paste it on a pastel sheet and practice speaking about yourself.
