

Prep Admission – Readiness & Learning Competencies (Academic Year 2026–2027)

Dear Parent,

Admission to **Prep** is based on a child's **readiness to participate confidently in a more structured early learning environment**, while still learning through **play, exploration, interaction, and hands-on activities**, as recommended by the **National Education Policy (NEP) 2020**.

The admission interaction is **supportive, age-appropriate, and child-friendly**, helping us understand how your child learns, communicates, and engages.

Areas We Observe During the Interaction

Physical & Motor Development

- **Fine motor skills** through drawing, colouring, tracing, simple writing
- Ability to handle play materials such as cards, abacus, or manipulatives
- Improved hand–eye coordination and control

ECCE Domain: Physical & Motor Development

Social, Emotional & Independence Skills

- Self-confidence in responding to adults
- Ability to **work independently** and participate in group activities
- Comfort interacting and socialising with other children

ECCE Domain: Social & Emotional–Ethical Development

Language & Communication Skills

Listening

- Listens to stories, rhymes, and instructions with understanding

Speaking

- Recites simple poems or rhymes
- Answers questions using simple sentences
- Describes people, objects, experiences, feelings, likes, and dislikes
- Uses polite words and greetings

Reading Readiness

- Recognises **English letters (capital & small)**
- Shows awareness of **phonic sounds**
- Sorts letters in alphabetical order
- Identifies **basic Hindi script**

Writing Readiness

- Writes **English capital and small letters**
- Demonstrates control through drawing, painting, tracing, or keyboarding

ECCE Domain: Language & Literacy Development

Cognitive Development (Thinking & Memory)

- General awareness of **self, family, and surroundings**
- Ability to **remember and recall objects or information shown**
- Identifies **missing or mismatched objects** in pictures or sets
- Demonstrates curiosity and problem-solving

ECCE Domain: Cognitive Development

Early Numeracy Readiness

- Recognises and writes **numbers 1–50**
- Identifies shapes, colours, and common objects

ECCE Domain: Foundational Literacy & Numeracy

Health, Hygiene & Values

- Recognises **body parts**
- Shows basic awareness of **health and hygiene habits**
- Demonstrates age-appropriate **values and good manners**

ECCE Domain: Ethical Development & Life Skills

Our Approach

Children develop at different paces. This interaction helps us understand your child's **current strengths and readiness**, so we can provide the **right balance of care, challenge, and support** in the Prep year.
