

DELHI PUBLIC SCHOOL (ALIGARH | CIVIL LINES | HATHRAS)

SYLLABUS FOR INTERACTION FOR ADMISSION TO PREP (2022 – 2023)

Admission to **Prep** is based on simple activities relating to various areas of learning and growth, through which we understand the physical and emotional readiness of the child for attending school at the Prep level.

We also look for evidence of basic values and good manners.

Admission to Prep will be based on the following areas:

- Fine motor skills
- General awareness - knowledge of self, family members and the environment
- Self confidence and independence
- Ability to socialize with other children and participate in group activities
- Ability to recognize & write the English alphabet (Capitals and small) & numbers 1-50
- Ability to retain information (remember objects shown)
- Ability to identify colours, shapes, common objects,
- Ability to identify mismatched / missing objects in a picture / set
- Identify basic Hindi script
- Recognise Body Parts & Show Awareness of Health & Hygiene
- Identification of colours, shapes and objects
- Ability to draw and colour (Play Cards / Abacus / Alphabet Blocks will be used for interaction)
